GK Motus-Salto is a gymnastic club in Malmö, Sweden, with great traditions in WAG, MAG and Teamgym. We have about 1000 members and are in the middle of a very strong growth phase. Our main goal is to achieve success in competitive gymnastics by giving our gymnasts the opportunity to develop in a professional, safe and positive environment.

GK Motus-Salto is now looking for a WAG head coach

Duties:

We have today a number of talent young girls with big ambitions for their sport. To be able to give them the best opportunities to take the next step up to youth level we are now looking for a head coach with skills especially in U-bar, floor and vault with the following main duties:

- Head coach our WAG-discipline.
- Coach for our "oldest" gymnasts
- Develop our WAG-organization together with the other coaches and the members of the board.

Qualifications for the position:

You have a documented extensive experience as a coach in WAG. Since we are in a construction phase it is important that you are use to and like to lead young talents ahead to a national top level. As a person you are positive and act with respect for your colleagues and gymnasts.

Driving license is an advantage.

Working time:

The service is part or fulltime job with working hours in the afternoon/evening and weekends.

For more information and details please contact our president Per Malmberg cell phone +46(0)734-34 13 08 or e-mail to pelle.malmberg@motussalto.com.

We would like your apply and references latest 15 of october 2013 by mail to pelle.malmberg@motussalto.com.
