

WAG elite coach – position at VIK Aarhus, Denmark

Jobprofile:

- Elite coach in VIKs department of Women Artistic Gymnastics with responsibility for the development of the department - the elite as well as upcoming talents and beginners.
- Training elite gymnasts at Danish top level. Several VIK-gymnasts take part of the Danish national team and participate in Nordic, European and World Championships
- Supervise and assist other WAG coaches of VIK – assisting in the overall planning of training sessions as well as supervising and teaching local coaches of correct training techniques etc.
- In VIK-gymnastics the good relationship and cooperation between MAG and WAG is a priority and our new elite coach must be prepared to work closely with the head coach of the MAG department, who also takes part in the training of the female gymnasts.
- Participation in training assemblies and competitions – national as well as international.
- Depending on qualifications the job may be combined with a position at the Danish Gymnastics Association as regional or national coach for gymnasts under the age of 13
- Working hours: 30 hours weekly (primarily monday-saturday early afternoon and evening)
- Start date – spring 2013 or as soon as possible

Qualifications of WAG elite coach:

- Degree in physical education or similar.
- Experience in training WAG at elite level
- Basic knowledge of spoken English

The salary will be agreed depending on qualifications, working hours and responsibilities. VIK will assist you in all practical matters during your stay in Denmark such as obtaining work permit, medical records, finding accommodation etc.

About VIK-gymnastics

VIK-gymnastics is situated in the second largest city of Denmark – the beautiful city of Aarhus, host of the World Championship in 2006 (300.000 inhabitants – www.visitaarhus.dk). VIK-gymnastics has approximately 800 active members within diverse gymnastic disciplines - all training in the Center of Gymnastics and Trampoline of Aarhus (www.springhallen.dk).

The department of artistic gymnastics has approximately 40 MAG gymnasts and 30 WAG gymnasts between the age of 5 and 30 years. The elite currently counts 10-15 male gymnasts between the age of 11 and 25 and 8-10 female gymnasts age 8-18. 7 male gymnasts are part of the Danish National Team (senior and junior) as are 3 of the female gymnasts, which is the result of 10 years working with professional Russian coaches.

It is the ambition of the VIK-gymnastics department of artistic gymnastics to expand and develop a strong department with a large and diversified group of athletes – elite as well as beginners and talents. (For more information see: www.vik-gym.dk)
